

Gastrend Graphical

A Trusted Software with Windows Functionality that allows you to easily do more than ever before!

- Trendex is proud to announce the *Gastrend Graphical Software*
- *Gastrend Graphical* is a highly reliable software package combining Windows ease of use with Linux reliability, designed to make your job easier than ever
- The New Version of Gastrend includes Full Windows Functionality and a new Graphical User Interface (GUI)
- The mouse can now be used along with a keyboard
- F Keys and Windows Shortcuts (such as cut, copy & paste) can be used to complete tasks faster

With the following software modules, Trendex is THE TOTAL SOLUTION

- Accounting
- Order/Invoice Entry
- Cylinder Rental/Lease
- Inventory/Purchasing
- Sales Analysis
- Quotation Module
- Counter Sales
- Hazmat/Fuel Charge
- Equipment Rental
- Kit Work Order Entry
- Warranty Control
- Multi-Warehousing
- Fax/Email Module
- Bar Coding
- Document Imaging
- And Even More...
