

Lot Number Tracking

- Trendex has been tracking Lot Numbers for Medical gases for almost ten years.
- Lot Numbers can be tracked for Medical, CO2 or Food Grade Gases.
- Lot Numbers are entered at time of Purchase Order Reception or when Filling Gases.
- Lot Numbers are entered at time of Invoicing and printed on the Invoice.
- Specific Lot Numbers delivered/sold can be retrieved easily for recalls with Customer Number and Name, Quantity Shipped, Date of Invoice and Invoice Number.
